ST. LOUIS, Mo.—William N. Neff, a member of the railroad board of adjustment No. 1, at Washington, and formerly federal manager of the St. Louis-Southwestern railroad, has been chosen chairman of the Southwestern Railroad Executives' association, it was announced here yesterday. A. B. Van Pelt, his secretary, has been elected secretary.

My work until the present tour has en confined solely to pictures. I we been in pictures four years. I ve been in pictures four years. I ve found out in the last few days at it takes lots and lots of nerve to pout in front of a theater crowded th people. There is a chilly little sling that makes me feel—th, it takes me feel like I am nothing at all d so helpless. I entered the movies e any person would take up any ofcession. Hard work, strengous study d many; many disappointments were countered before I was finally starred.

Miss Caprice—Does the field for phopolay writers warrant one who has ever attempted such, having a try?

If all the contributions the various roducing companies received in one onth were bundled into one bale I aresay the most expert traffic man the railroad business would tear his air if requested to move it. I am goik business office. The office boy ormed the scenario editor that a like had been called by the printers, sereupon the editor asked why he uid be worried and received the re-: What are we going to do when a next 5,000 rejection slips run out? wever, one can nover succeed in any sture without a try.

Betty-Of course, we see all pictures which we are east. The film is first

Betty-Of course, we see all pictures which we are cast. The film is first a in the projection room at the studiod generally officers of the company, the production is a feature one, are esent in addition to the director, the tiefs, camerament, lifle writers and sers who alded in its makeup, not to y the advertising force. Quite true, are is a thrill when one first sees is self on the screen. I yet experize these and especially so when I amifdent I have exercised my best abilin a certain scene.

Louise-Child, I am going to call a that for the tone of your letter y your handwriting tells me I am ht—the movie folk are as home-lov, quiet and wholly a respectable as as you will find anywhere. The side is fast learning that people of stage and screen are not those who wholly for the night life in gay arets and have breakfast in bed at m. Mayhap there are a few but not judge all picture artists by the eptions who are present in this prosion as in every other line of enver.
